

EDUCATION

Max Planck Institute for Informatics

PhD in Computer Vision supervised by Prof Bernt Schiele

Saarbrücken, Germany

Oct, 2021–

Saarland University

MS in Informatik, GPA - 1.4

Saarbrücken, Germany

2019–2021

IIIT Allahabad

B.Tech. in Information Technology, GPA: 9.44/10

Allahabad, India

2013–2017

PUBLICATIONS

1. Nath, M.*, **Das, A.***, Xie, J., Schiele, B. “ClipTTT: CLIP-Guided Test-Time Training Helps LVLMS See Better”, *arxiv*, 2026

EXPERIENCE

Future Interaction Group

Research Internship working with Brais Martinez, Adrian Bulat

Samsung Research, Cambridge

June, 2025 - November, 2025

Computer Vision Group

Master thesis working with Prof Bernt Schiele

Max Planck Institute for Informatics, Germany

October, 2020 - April, 2021

Modelling and Simulation Group

Research Internship working with Prof Verena Wolf

Saarland University, Germany

Summer 2019

Qualcomm

Software Engineer

Hyderabad, India

July, 2017 –March, 2019

Microsoft Software Developer Intern	Hyderabad, India Summer 2016
WorldQuant llc Student Quant Consultant	Virtual April, 2015 –April, 2016
IIT Bombay Summer Intern	Bombay, India Summer 2015

TEACHING

- Master thesis of Mriganka Nath
ClipTTT: CLIP-Guided Test-Time Training Helps LVLMS See Better January 2026
- Master thesis of Luisa Danalachi
Incremental Domain Adaptation for Semantic Segmentation December 2023
- Master thesis of Nikhil Paliwal
Unsupervised Domain Adaptation for Semantic Segmentation with Temporal Cues September 2023
- Teaching Assistant at Saarland University
Image Processing and Computer Vision, Prof Joachim Weickert Summer 2020
- Teaching Assistant at IIIT Allahabad
Introduction to Programming, Prof G C Nandi Fall 2015

ACADEMIC ACTIVITIES

- **Reviewer:** CVPR, ECCV, ICCV, NeurIPs, GCPR, TPAMI, IJCV, TMLR, IEEE-TCVST

TALKS

- Multi-Image Reasoning with LVLMS, 2026 Google Research, Munich
- Weakly Supervised Domain Adaptation, ICVSS 2023 Sicily, Italy
- Weakly Supervised Domain Adaptation, GCPR 2023 Heidelberg, Germany
- Urban Scene Semantic Segmentation with Coarse annotation, TRACE 2022 Leuven, Belgium
- Generalised Zero-shot Semantic Segmentation with superpixels, GCPR 21 Virtual

SCHOLARSHIPS, ACHIEVEMENTS AND AWARDS

- GCPR 21 Young Researcher Forum Best Master thesis award 2021
- Saarland Stipendium funded by DAAD for summer semester 2021
- Saarbrücken Graduate School of Computer Science Scholarship (< 3% applicants get selected) 2019
- Three Qualstars at Qualcomm India for different projects. 2018
- Class rank 6 th out of 185 students in bachelors in Information Technology at IIIT Allahabad. 2018
- Institute Merit Scholarship [IIIT Allahabad] for getting into top 5% of the class. 2017
- 43rd rank (Asia) in Worldquant Websim Challenge (Quant competition) 2014
- DST Inspire Scholarship awardee, 2012 for getting in top 1% in India in CBSE Board,2012 2012
- Qualified for Indian National Mathematics Olympiad (INMO) 2011
